## **THE PYC Summer Camp Mission Statement**

To create a supportive atmosphere in which children can learn new skills and build friendships.

### **Objective**

To create a place where we can encourage children in a fun environment while providing close supervision. We maintain a (1:7) counselor to camper ratio. Our counselors are lifeguard certified and teach responsible boating, including a respect for the natural environment. The PYC promotes a happy, healthy and active lifestyle, designed to help stimulate the child's imagination.

### **Registration**

Registration is available online at [www.PeninsulaYacht.com](http://www.PeninsulaYacht.com), under Kids Activities -> Summer Camps. A PDF version is also available by contacting the Club. Once registration is complete, you will receive a confirmation email. Parents packets are emailed out 2 weeks prior to camp start date.

**Registration for Members opens January 13.**

Prospective Members are welcome to submit registrations at this time but will not be confirmed until Prospective Member registration opens.

**Registration for Prospective Members opens on February 1.**

After forms are completed, members will be billed on their next statement. For prospective members, payment is required, in full, to reserve your campers spot. One registration per child please. Campers are officially registered once full payment is received.

**Members will be billed on your monthly statement when registered for all camp sessions selected. A cancellation policy applies to all camps as referenced on our registration form.**

**For any late registrations, within 30 days of camp, there is a \$25 fee.**

**PYC Summer Camps are open to Prospective Members.  
So, Members, invite your friends!**
