GENERAL MARINA RULES

1. All members and vessel operators shall comply with all applicable federal and state laws and local rules and regulations pertaining to the operation and maintenance of vessels.
2. All members and other vessel operators desiring to dock vessels or obtain services at the Marina Facilities (the "Marina") must register with the Dockmaster. When a vessel enters the Marina, it immediately comes under the jurisdiction of the Dockmaster. All members shall comply with the rules established by the Club for use of the Marina from time to time (the "Marina Rules"). The Club and the Dockmaster shall have the right, but shall not be required, to remove any vessel from the Marina which fails to comply with the Marina Rules. Violation of any of these rules, or any misconduct or immoral or offensive behavior by any member or such member's guests or invitees, which might injure a person, cause damage to property, be considered in bad taste by the Dockmaster or cause harm to the reputation of the Club, shall entitle the Club to exercise any remedy available at law or in equity and shall be a cause for immediate removal of the vessel and the person(s) in question from the Marina. An order of the Dockmaster shall be deemed sufficient reason to deny future requests for dockage.
3. All vessels docked at the Marina on a long-term basis must be registered in the name of the member. A copy of the vessel registration certificate must be submitted to the Dockmaster. Corporate owners of vessels must submit corporate officer information, if requested.

No marina slip may be occupied by a vessel until such vessel has been approved by the Dockmaster. The minimum standards for such approval shall be the compliance of the Marina Rules with requirements of these Rules and with any other rules adopted by the Club from time to time.
8. If a vessel has an appurtenance such as a diving platform or bowsprit which is affixed to or part of the vessel and the length of the appurtenance added to the length of the vessel creates an encroachment of the vessel beyond the vessel's marina slip, the following rules apply: (i) the appurtenance may not encroach over any other marina slip, the dock, or the pier; (ii) the vessel must be moored stern first in the marina slip if the appurtenance is affixed to or part of the bow of the vessel; and (iii) the encroachment of the appurtenance cannot interfere with navigation in Marina waters. The Dockmaster has sole authority to determine whether or not the encroachment of the vessel violates one of the above conditions.

If so directed by the Club or Dockmaster, immediate compliance is required.

10. Members shall maintain their vessels in seaworthy condition with due regard to fire and safety hazards and shall be responsible for pumping their vessels when necessary. Vessels showing unusual leakage must be repaired or removed from the Marina. It is the responsibility of the owner of any vessel showing unusual leakage to report the hazard immediately to the Dockmaster. Should any vessel sink in the Marina, it shall be the responsibility of the member to remove the vessel from the Marina within twenty-four hours without cost, expense or damage to the Club or any facilities at the Marina. In the event such sunken vessel is not removed as provided herein, the vessel shall be removed by the Dockmaster at the member's sole cost and expense.

11. From time to time, the Club or the Dockmaster may require any vessel to relocate to another slip in the Marina or off the Marina premises for purposes of maintenance or repairs to the Marina. The Club will provide adequate facilities for the vessel while repairs are in progress for such time as the Club or the Dockmaster deems it to be necessary. The extent of repairs or maintenance permitted to be performed at the Marina and the Club shall be at the sole discretion of the Dockmaster.

12. The Dockmaster and General Manager are responsible for directing and supervising employees at the Marina. Employees of the Club are not to perform or be requested to perform personal services for members while on duty. 14. No permanent alterations or appendages can be made to any slip or dock without prior approval of the Dockmaster. Management reserves the right to remove alternations and appendages when deemed necessary.

15. Refuse, trash and/or garbage shall not be thrown overboard. Garbage shall be deposited in cans supplied for that purpose. Engine oils, filters, spirits, combustible liquids, etc., must be disposed of in the proper and approved manner. Failure to properly dispose of these items will be reported to the appropriate federal authorities for prosecution under applicable environmental laws. In addition, the member will be responsible

for all clean-up costs and is subject to permanent removal of his/her vessel from the Marina. Any violation shall be reported to the Dockmaster who shall request correction of the violation. Failure to comply can result in suspension of membership.

21. The use of spotlights, floodlights and/or other lighting in such manner as to affect the safety and/or comfort of others is prohibited, except for lighting provided by the Club. No member shall permit lighting on or near his/her marina slip or vessel which adversely affects the lighting scheme at the Marina, including tower lights, speaker lights and all decorative vessel lighting.

22. Ample electrical current is provided by the Marina and no separate generator shall be used by any member to provide electrical power to the vessel while docked at the Marina. 29. Each vessel must have sanitary equipment on board as is required by all applicable federal, state and local authorities. No vessel shall be deemed to be in compliance with this section if such equipment is not fully operational or if such equipment, such as a holding tank or approved marine sanitary system, is bypassed or altered contrary to such requirement. The Dockmaster shall have the right to board a vessel upon reasonable notice to inspect vessel for compliance with this section. Each member shall be responsible for pumping out and discharging all sewage contained in such holding tanks into the on-site sanitary sewer system/pump-out station, as often as necessary. In no event may a member discharge sewage or any other foreign substance into the waters of the Marina.

30. These rules shall apply to all members immediate family members and guests, even if not specifically stated in portions hereof. The Club shall be permitted, but not required, to grant relief to one or more members from specific rules upon written request therefor, and good cause as shown in the sole discretion of the Club.

31. No vessels may be cleaned or maintained in the Marina unless U.S. Coast Guard-accepted and environmentally approved solvents, additives or chemicals are used in such maintenance.

This responsibility includes damage to other vessels and damage to the Marina, its pilings, ladders, cleats, etc. The Club shall have no liability or responsibility therefor. The Club shall have the authority to impose a fine or penalty upon any member, his/her guests or invitees who cause any damage to the Marina Facilities and shall take all such reasonable actions including, but not limited to, imposing a maritime lien on such member's vessel. The Club shall not make any expressed or implied warranties or representations as to the condition of the docks, piers, gangways, wharfs or ramps and undertake no duty to advise members of any hazardous conditions requiring their attention. Neither the Company nor the Club shall be liable for any injury to persons or property occurring at the Marina or the Club, or for any theft of, or from, any vessel, regardless of whether or not the loss, damage or claim results from the Club's negligence. The Club shall not have any liability for the care or protection of any vessel, and each member and slip lessee agrees to indemnify and to hold harmless the Club against any such loss, damage or claim arising out of the member's, or such member's family members, guests or invitees, use of the Marina or the operation of a vessel at or around the Marina, whether or not the loss, damage or claim results from either the Club's negligence or from adverse weather conditions.
